受験者氏名：南天^{なんてん} 鳥太郎^{とったろう}

Volunteer experience is the most important thing in your adolescence. When I was in the second grade of high school, I have been to Tohoku area, where a big earthquake occurred. Even though I didn't get paid at all, I learned the importance of helping each other. If you join a volunteer activity in youth, you will learn an important lesson. (61 words)

受験者氏名：南天^{なんてん} 一太郎^{いったろう}

Students should read as many books as possible. Last year, my Japanese teacher recommended me to read many books. Before that, I didn't like reading because it took much time, however I came to understand that books can open the door to a new world. Through a book, we can enjoy what can't be experienced in this world. Therefore, reading books are the most important thing. (66 words)
